The Girls' Day School Trust is a registered charity no 306983

# Sheffield High School

## Annual Fund 2010-2011

## An Outstanding Education

The Annual Fund is designed to give every member of Sheffield High School's community – parents, alumnae, staff, governors and friends – the opportunity to support a variety of achievable projects each year. An outstanding education requires funds over and above the operating expenses and these projects significantly enhance our students' lives at school.

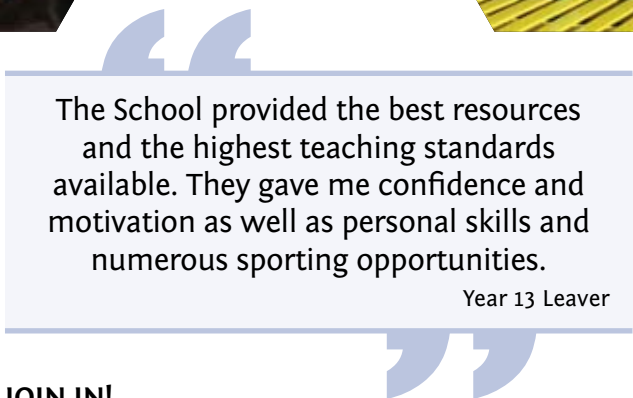

### PROJECTS

As you can see, our wish list includes a range of projects to benefit all our students, from Reception to Sixth Form. You can indicate which area (or areas) you'd like to support on the enclosed reply form.

### Wish List

- › **Juniors**  
Hand-held microscopes  
Beebots (miniature robots to develop control technology)
- › **Seniors/Sixth Form**  
Trophy cabinets around the School  
Additional Head Girls' Honours Board  
Sports Honours Boards for the Sports Hall  
An oscilloscope to offer girls more 'hands-on' practical activities in GCSE and A-level physics
- › **Sixth Form only**  
Resources for the new Sixth Form Independent Learning Centre – e.g. reference books, DVDs and e-book readers
- › **Whole School**  
Eco Garden  
Resources to support a number of 'eco' initiatives such as acquiring insect houses, creating a 'wildlife area', purchasing garden equipment and raising environmental awareness around the School

NB. Any monies remaining once a project has been completed will be allocated to other projects at the School's discretion.

The School provided the best resources and the highest teaching standards available. They gave me confidence and motivation as well as personal skills and numerous sporting opportunities.

Year 13 Leaver

### JOIN IN!

Secure online giving is now available, making it even easier and greener to donate. Setting up a regular Direct Debit donation online at [www.sheffieldhighschool.org.uk/annual\\_fund](http://www.sheffieldhighschool.org.uk/annual_fund) saves the cost of postage and reduces the carbon footprint of the Annual Fund by guaranteeing you receive only one mailing a year (to let you know how your gift is making a difference).

You can also make a single gift online or, if you prefer, you can complete the forms enclosed with this brochure. If you are a taxpayer you can increase your gift by completing the Gift Aid declaration online or on the reply form. For example, a gift of £10 a month with Gift Aid means £150 for the School over the year!
