Dear Parent / Guardian,

It is becoming increasingly apparent that there may be a need to provide a coach to transport pupils into our schools from the Bakewell, Dore and Totley areas. There are a number of reasons for this, including an increase in the number of pupils that live in the area, the rise in fuel and travel costs for those travelling by car, the inconvenience of making a detour on the way to a place of work, and the increasing difficulty of parking and congestion in and around Sheffield and more specifically, Broomhill.

Enquiries have been made with Central Travel and they indicate that they would be willing to run a cost-effective, dedicated service from Bakewell that could also service Dore and Totley if there were enough people who wanted to use it.

Initially we would like to know what level of demand there might be for this service, and if numbers justify, would hope to organise a meeting with you in the area, involving representatives from both schools, and 'Paul' from Central Travel. At this meeting we would aim to discuss costs, timings and routes.

We do hope that you will give this idea your serious consideration. If you are interested in the service please complete the tear-off slip and return it to the appropriate school office. You can also phone 0114 2668408 for Birkdale and 0114 2660324 for the High School Office or if you prefer an electronic medium, can e-mail Phil Melia, at [S102qt@yahoo.co.uk](mailto:S102qt@yahoo.co.uk).

Yours sincerely,

Mrs V A Dunsford  
Headmistress  
Sheffield High School

Mr Robert Court  
Head Master
