

January 2010

Dear Parent

Following the success of our Annual Fund campaign which for the past 4 years has helped us to improve our facilities and resources throughout the school, we are now responding to the suggestions of several parents who have enquired about sponsoring equipment or events through their businesses.

If you have your own business or if you work for a company which might be interested in getting involved in supporting the school then please read on.

Sponsorship for events and advertising in school publications

We already invite sponsorship for the FOSH ball and advertising in the school magazine and High Flyer. If you would be interested in sponsoring one of our events, e.g. school play, sports presentation evening, movement evening, school concert, prizegiving by covering the cost of the event or placing an advertisement in the programme; or if you would like to advertise your business in one of our publications please indicate this on the slip below.

Sponsorship of equipment

Are you interested in sponsoring a piece of equipment (£100-£1000) such as a piece of Science, Music, Art and Design, ICT equipment, display cabinet for the Junior or Senior entrance lobby, sports kit for teams, Sports Captain honours boards or playground equipment?

If so, we would be very happy to produce publicity and photographs to accompany your sponsorship and all donations will be recognized along with all other Annual Fund donors.

If you are interested in hearing more about any of the above, please complete the slip below and return to Mrs Dunsford by 31<sup>st</sup> January.

Yours sincerely

MRS VA DUNSFORD  
HEADMISTRESS
