

Y12/13 TERMLY BULLETIN - SPRING 2010

Welcome to the latest edition of the bulletin designed to pass on information relevant to the parents and guardians of Sixth Form students.

It has been another busy term in the sixth form, which started with the January examination modules during the heavy snow at the start of the year. We would like to commend the girls for the way in which they 'got on with things' despite transport difficulties and sitting exams whilst cold/wet. We hope that their hard work and stoic efforts have paid off in the results (published 11 March). Should you or your daughter have any concerns over the results, please do not hesitate to contact us. Many of Year 13 had a thoroughly enjoyable session at the Cookery Skills Class (Sheffield College) earlier this month. The staff at the college praised the girls for their enthusiasm and manners, so 'well done' to all who took part. Year 12 students are encouraged to attend Open Days at Universities across the country during the next term to help them make informed decisions about their post-18 education. Please note that the girls are only allowed **3** such visits during school time, but Open Days also run at weekends and during the school holidays.

Sincerely,
Dr J Raymond and Dr J McGregor-Jones
Head of Sixth Form Deputy Head of Sixth Form
