

Y10 HALF TERMLY BULLETIN - Spring 2010

Dear Parent,

This is the third edition of the Year 10 half-termly bulletin, with details of recent and forthcoming events concerning your daughter. We are now over half way through the school year and, despite the difficult weather conditions we have had this term, Year 10 girls are, on the whole, continuing to work hard and play hard. In many subjects coursework and controlled assessments are in progress. This term Year 10 girls have been involved in target-setting; details of this are below.

Your daughter should have brought home her Spring term report which gives details of recent assessments and progress so far at GCSE. I would be grateful if you would sign your daughter's planner on page 87 to indicate you have received this and seen her target grades and personal targets.

I would also like to welcome the five girls who have joined Year 10 from Brantwood School. I know that they are being made welcome by the rest of the year group.

With best wishes,

A M Jackson (Mrs.)

Head of Year 10

Form Leaders for the Spring Term:

<u>Form</u>	<u>Form Leader</u>	<u>Deputy</u>
10V	Ellie Gunn	Georgia Salamat
10W	Marah Ayad	Louise Holtum
10X	Jessica Denniff	Hannah Robertson
10Y	Georgina Davies	Charley Barker
10Z	Lydia Spink	Sahnia Ali

Key Y10 Dates for the Diary

Thursday 11th March- GCSE results (science modules)

Friday 26th March- end of term (3.30pm finish)

Monday 19th April- start of summer term

EXAMINATIONS

School examinations take place from 17-28 May

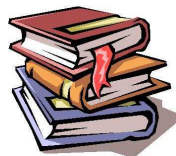

Some subjects have a GCSE examination this summer:

Music Wed 5 May (am) and Fri 18 June (pm)

Business Studies- Fri 28 May (pm)

RS- Wed 23 June (pm)

Maths (div 4,5,6) - Mon 21 June (pm)

Target Setting and SMART targets

Your daughter has, in consultation with her subject teachers, agreed her target grades for each of her GCSE subjects. This is the grade that we feel your daughter can achieve, assuming she works hard. These grades can be adjusted after examinations and assessments.

Form tutors have also worked with the girls to help them to set targets for improvement. These are recorded in their planner.

Congratulations to the Year 10 netball players who recently won the Under 15 Sheffield tournament

Congratulations to the many Year 10 girls who have embarked on the bronze level Duke Award. The training expedition is on Saturday 1st May

of Edinburgh
