

Year 10 Homework Timetable (2011-2012)

Due to there being two very different A and B weeks this year, this is very complicated!

Your teacher will let you know when the homework needs to be in - you will always have more than one night or the weekend to complete homework.

For Science, you will have 3 x 40 mins (one for each individual Science) per week.

For English you will be working to deadlines linked to your Controlled Assessments.

For Music- 20 mins instrumental practice per day, as performance is 40%. Other assignments as set.

MONDAY A

10D German GA History SD	Latin DW	Geography ES	French OB
-----------------------------	----------	--------------	-----------

TUESDAY A
