

Y10 TERMLY BULLETIN - SUMMER 2010

Dear Parent,

This is the final edition of the termly bulletin for this academic year. I hope you have found these useful. The main events concerning Year 10 girls are outlined below. Once the Y11 have finished their GCSE examinations the Y10 girls will be able to use Moor Lodge at break and lunchtime for socialising. We will also allow them the Y11 uniform privileges at this point which means they can wear flesh coloured tights, if they wish, and do not have to tie back their hair (except in certain lessons). Please support us in ensuring your daughter abides by the other rules, in particular no make-up, nail varnish or jewellery. As the oldest girls in the main school we expect them to set a good example to the younger girls.

Make I take this opportunity to wish you and your family a relaxing Summer break.

With best wishes,

A M Jackson (Mrs.)
Head of Year 10

School Examinations and Reports

Girls in year 10 have recently taken internal school examinations, the results of these will be communicated to you in the end of year school report which your daughter will bring home in July. Girls should, of course, be recording these results on the relevant pages of their planner, as they receive them. Some girls are also sitting external GCSE examinations in some subjects. The results of these are published on Tuesday 24th August. Your daughter can collect these results in person, by coming to school at 10am. If you prefer, the results can be posted home, if your daughter provides a stamped addressed A5 envelope. We regret that it is not possible to give out these results over the telephone.

ISCO Tests

ISCO provides students between the ages of 15 and 23 with careers advice. Following the ISCO tests on 5th July, your daughter will receive information that will be used in the careers interviews in year 11. More details will follow.

Key Y10 Dates for the Diary

GCSE examinations:

Chemistry (resit): Wed 16 June (pm)

Music: Fri 18 June (pm)

Maths (Div 4,5,6): Mon 21 June (pm)

RS: Wed 23 June (pm)

Physics (resit): Thurs 24 June (pm)

Y10 Conference: Tuesday 22 June (pm)

ISCO testing: Mon 5 July

Sports Day: Tues 13 July

End of term: Thurs 15 July at 12.20pm

YEAR 10 CONFERENCE: Tues 22 June

This is an afternoon event, held in the sixth form centre on Melbourne Avenue. It is designed to stimulate the girls to think about future career decisions. The girls are not expected to wear uniform. Morning lessons will finish slightly early to accommodate a 1pm start in the afternoon.

Girls are allowed to go to Broomhill at lunchtime, provided parents have signed the permission slip for this, but they must be in the sixth form hall by 1pm

YEAR 10 FORM LEADERS: SUMMER TERM

10V Bethan Sinnett, deputy Eleanor Duckenfield

10W Aisha Nageen, deputy Victoria Stasi

10X Megan Gregory, deputy Ruby Wood

10Y Carly Bayliss, deputy Lily Hosking

10Z Bea Evans, deputy Felicity Goodall

Thanks to all girls who have held positions of responsibility this year.
