

## Y8 HOMEWORK TIMETABLE 2011-2012

Make a note of all homework and due dates in your planner (days included in brackets after subject) and try to stick to the allocated time. If you are unable to complete a task in the time allowed, get parents to sign your planner and discuss with your subject teacher. Some subject teachers may require homework completed for the following day but wherever possible, teachers will allow 2/3 days for completion of tasks.
